

ENSC items for FAS UCC approval  
October 24, 2007

1. ENSC 372-4 prerequisite change  
Course change forms: "ENSC 372 course change form.pdf"
2. ENSC course prerequisite changes: Summary of April 11, 2007 ENSC Faculty meeting approvals listed below.  
Course change forms: "ENSC course change form x 11.pdf"

*i. ENSC Course Pre-requisite Change*

Course	Prerequisite Removed	To be	Course	Prerequisite To be removed
ENSC 220	ENSC 125		ENSC 380	ENSC 125
ENSC 225	ENSC 222		ENSC 383	ENSC 281
ENSC 320	ENSC 125		ENSC 387	ENSC 281 & 382
ENSC 325	ENSC 222		ENSC 424	ENSC 281 & 382
ENSC 327	ENSC 281 & 382		ENSC 495	ENSC 222

**Proposal:**

- a. Eliminate prerequisites listed on the course chart
- b. ENSC 495 prerequisites be changed to read: "ENSC 225 and permission of the instructor"
- c. ENSC 460-461-462 prerequisites be changed from "permission of the director" to "permission of the instructor"

**Rationale:**

- a. ENSC 125, 222, 281 and 382 have not been offered for more than 10 years.
- b. Because ENSC 495 has limited class size.
- c. Because these special topic courses are approved by the Director and the Undergraduate Chair in order to be offered.

3.
