

Course Change/Deletion

School of Computing Science
November 2007

Current Course Number: CMPT 368, Introduction to Computer Music and Sound Synthesis

Revision(s):

X	Course number	Credit	Title	Description
	Prerequisite	Exclusions	Course deletion	

	FROM	TO
Course Number	CMPT 368	CMPT 468

Rationale: Giving this courses a 400-level number will allow us to crosslist it with a 700-level course: CMPT policy is to allow crosslisting only of 400- and 700-level courses.

Many of the students who have taken CMPT 386 have taken it in their final year. It is an advanced application course that could quite reasonably be numbered as a 4th year course.

Effective term and year: 2008/2009 calendar
