Course Change/Deletion
School of Computing Science
January 2008

Current Course Number: CMPT 487, Software Engineering Tools and Environments

Revision(s):
    Course number   Credit   Title   Description
    Prerequisite   Exclusions   X **Course deletion**

Rationale: This course has not been offered for several years. The former instructors have no interest in offering it in the future.

The materials covered in this course are now well covered by the recently introduced Software Systems program.

Effective term and year: 2008/2009 calendar

Approvals:

Uwe Glasser, Director, School of Computing Science
